

Equipment Operator

The selected individual is responsible for operating Road Department equipment including dump trucks, loader, grader, roller, pickup truck, and other maintenance equipment. This full-time position requires physical labor and indoor/outdoor work consistent with the operations of the Road Department. Instruction and guidance is received from the Roadmaster.

A valid Pennsylvania driver's license and Commercial Driver's license are mandatory.

The individual must work well in a team approach and be responsible to residents of the Township. Work in a previous position or related job situation is desirable. A full benefit package is part of the position. For additional information and a full job description, visit our website at www.wdtwp.com. Provide your resume in writing or via email to Eugene Oldham, Township Manager, West Donegal Township, One Municipal Drive, Elizabethtown, PA 17022 or Goldham@wdtwp.com or pick up an application at the Township Municipal Building or download one from the Township website. Resumes/applications will be accepted until 4:00 pm on February 6. Call 367-7178 with questions.

West Donegal Township is an EOE and does not discriminate in its hiring practices.

Eugene R. Oldham, PE, PLS
