Bridge Replacement Project to Begin Next Week on Route 230 (Market Street) in Elizabethtown Borough and Mount Joy and West Donegal Townships

Two-way traffic will be maintained during project

Harrisburg, PA – The Pennsylvania Department of Transportation (PennDOT) announced today that a bridge replacement project is scheduled to begin Tuesday, February 21, on Route 230 (Market Street) in Elizabethtown Borough, and Mount Joy and West Donegal townships.

The bridge is located between Groff Avenue and Shaeffer Road. Work will be performed in phases so two-way traffic will be maintained through the work zone.

Traffic impacts next week include single lane closures for tree trimming operations. Motorists should be alert and drive with caution through the work zone.

JD Eckman, Inc., of Atglen, PA, is the contractor on this \$1,967,754 project. This project is expected to be completed by January 30, 2024.

Motorists can check conditions on major roadways by visiting www.511PA.com. 511PA, which is free and available 24 hours a day, provides traffic delay warnings, weather forecasts, traffic speed information and access to more than 1,000 traffic cameras.

511PA is also available through a smartphone application for iPhone and Android devices, by calling 5-1-1, or by following regional Twitter alerts accessible on the 511PA website.
